

TIME@Net

Transnational Network Promoting Innovative Models in Education, Learning and Work Inclusion

Welcome to TIME@Net Newsletter Issue 2. The periodical newsletter is part of the dissemination activities to promote the aims, objectives and output of TIME@Net Project.

The Second Transnational Project Meeting in Aarhus (Denmark)

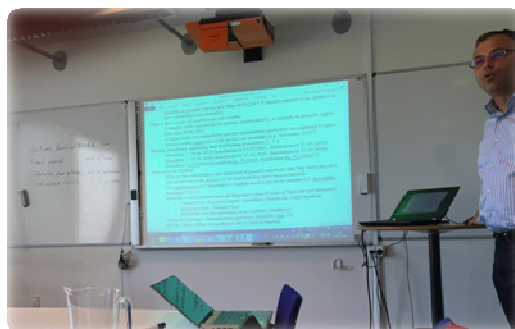

Last 11th – 12th June the second TIME@Net meeting took place in Aarhus (Denmark) with the participation of project partners. Relevant issues were discussed and important decisions for the project implementation were taken. Each partner presented the results of its work, the material developed and the planning of future activities related to the project tasks.

In particular:

- Presentation of the first Project Output **“Complementary Research at Transnational Level in the frame of Young People with intellectual Disability Work Inclusion”**.

The Research Report includes a documentary research conducted in Italy, Spain, Slovenia, Denmark, Portugal and Bulgaria with the collection and comparison of social inclusion policies within these countries and at European level focusing on training and work insertion, the mapping of meaningful experiences regarding assessment models of specific competences of the final target and analysis of the legislative framework. A section is dedicated to the results of the surveys conducted in the 6 countries and

addressed to a total of 115 professionals and 55 representatives of the companies with the aim of analyzing the critical aspects connected to the implementation of training and work inclusion paths addressed to young people with intellectual disabilities, the strong and weak points and opportunities in order to achieve an effective cooperation between the sectors involved and the development of effective networks.

The second transnational meeting in Aarhus

The Research Report is available on the Project Website www.timenet.eu in 7 languages (English and the national language of the countries in which the research has been conducted).

- **Guidelines and Handbook**

Presentation of the main aspects, tasks and duties among the partners for the realization of the second and third Project Outputs - **Guidelines** including the strategy plan to realize the project and a model for implementing effective training and work inclusion interventions targeted to young people with intellectual disabilities and **Handbook** for the development of competences of the training and inclusion sectors personnel, in order to enable them toward the construction, promotion and implementation of effective pathways involving the companies since the beginning of the processes.

- **Dissemination activities**

Presentation of the project website, project newsletter and advertising materials and discussion about the dissemination activities to be carried on in each partner country.

- **Evaluation activities**

Presentation of the evaluation activities realized to assure and check the project's quality –results of the questionnaires, evaluation reports, planned activities.

Outlook:

Organization of the third transnational meeting in Valencia, Spain(December 2015)

The next transnational meeting will be hosted by Instituto Valenciano de Acción Social, Valencia, Spain. The dates for this meeting will be the 17th-18th of December 2015. At that moment the handbook will be ready and the Spanish partner proposes to organize a public event at the catholic university in Valencia the day before the meeting (16 December).

Newsletter 03 is planned to be published around the end of January 2016, after the meeting in Valencia, with its main content on the results of the guidelines and the handbook and the development of pilot course.
